each skein contains
400 yards (366 meters)

finished size
60 x 30 inches (152 x 76 cm)

Summer Wind Shawl Pattern

PATTERN NOTE:

This pattern is written for use with our handpainted yarns

PAOLA

100% Extra Fine Merino Yarn

and KID MOHAIR - SILK Yarn

70% Kid Mohair / 30% Silk

DESIGNER NOTES

The Shawl is knitted lengthwise.

The two yarns are used alternately for one row.

Therefore the circular needle needs to be slid to the side where the yarn is for that row.

CAST ON

Use both yarns together (2-stranded) to CO 238 stitches.

BAND

Keep working with both yarns and knit 8 rows

PATTERN REPEAT

1. row: knit this row with the Merino.

2. row: work with the Kid Mohair and knit 4 sts, [YO, P2tog] to the last four sts, knit 4 sts

Repeat these 2 rows throughout.

Knit all yarn up, but keep enough yarn for the band. Knit 8 rows 2-stranded and bind off loosely.

Crochet one row on each of the small sides for a great edge.

For optional fringes:

Wind the remaining Kid Mohair Yarn around a book (approx. 16 inches circumference) and count the revolution. Cut it off from the book, divide the ends in an even number of strands for one fringe. Use a crochet hook to thread the fringes through the edge and tie.

Hand wash your shawl and block it.
