US # 8 (5 mm) needle
32 inches circular

One Size

back length 26" (66 cm)
overall width 38" (96 cm)

BAUHAUS - Mitered Shawl

This pattern is designed by Bjorn Coordt.

Three skeins of Violetta Yarn are needed for the Shawl.

If you have chosen three skeins in the same color, one skein knits up one square.

Half of the stitches from the first square are being used to start the second and the third square.

The construction is very easy and the shawl has no seams.

See the schematic on page 3.

PATTERN

cast on three stitches

1. row: K, (K-YO-K), SK
2. row: WK, K3, SK
3. row: WK, K1, (K-YO-K), K1, SK
4. row: WK, K5, SK
5. row: WK, K2, (K-YO-K), K2, SK
6. row: WK, K7, SK
7. row: WK, K3, (K-YO-K), K3, SK
8. row: WK, K9, SK

Continue increasing every other row 2 stitches.

Knit the entire skein up. Your last row needs to be an increase row, but increase only 2 stitches in the center by knitting that stitch from the back and the front.

ABBREVIATION

SK - slip one stitch knit wise

WK - wrap yarn around the first stitch and knit this stitch

At the end of the row cast on half of the number of stitches as you have on your needle.

Turn your work, WK and knit the back row to the center of the first square (last st = SK).

Move the remaining stitches from the first square onto a spare needle to be on hold for the third square.

Turn your work.

Instead of increasing in the center you need to decrease every other row 2 stitches in the center by

slip one stitch, K2tog and

move the slipped stitch over the stitch from the K2tog.

All first stitches are WK and all last stitches are SK.

Knit until you have 3 stitches left and bind off.

Now it is time to work the third square the same way.

Sew in all ends.

Your Shawl is finished!

If you have chosen three skeins in three different colors you need to follow the same structure and pattern.

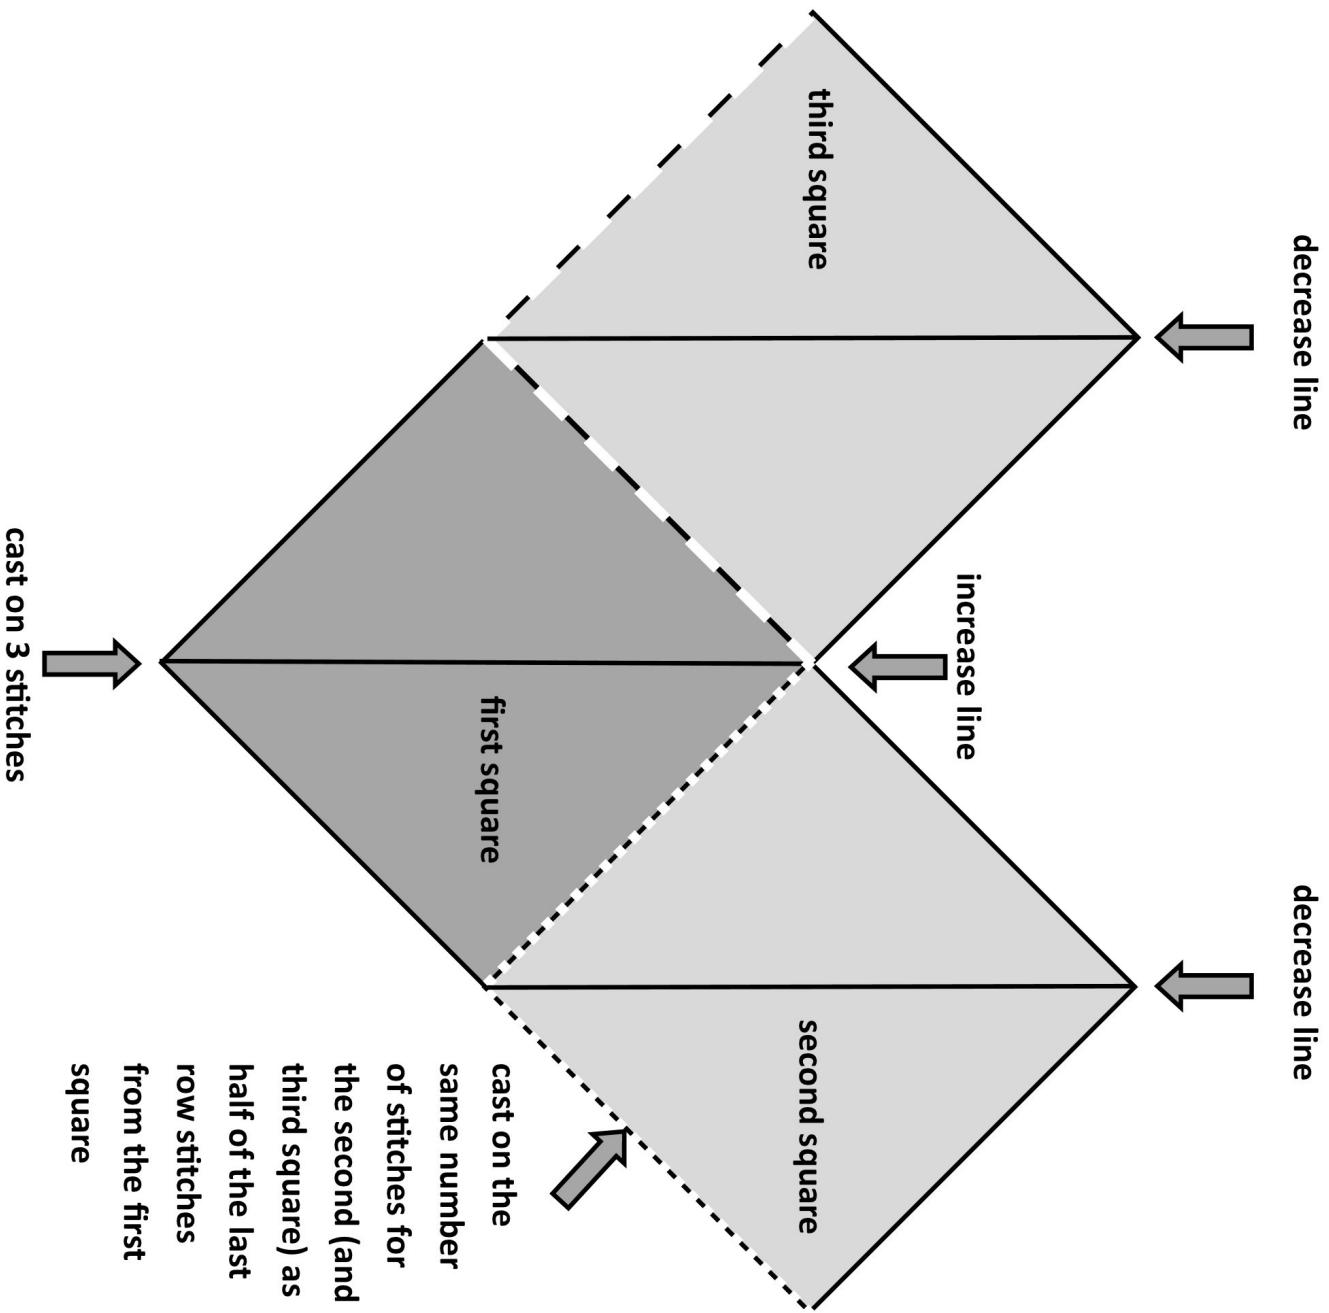

Only the color changes are different and important.

You will find the schematic on page 4.

Happy Knitting !

BAUHAUS Mitered Shawl

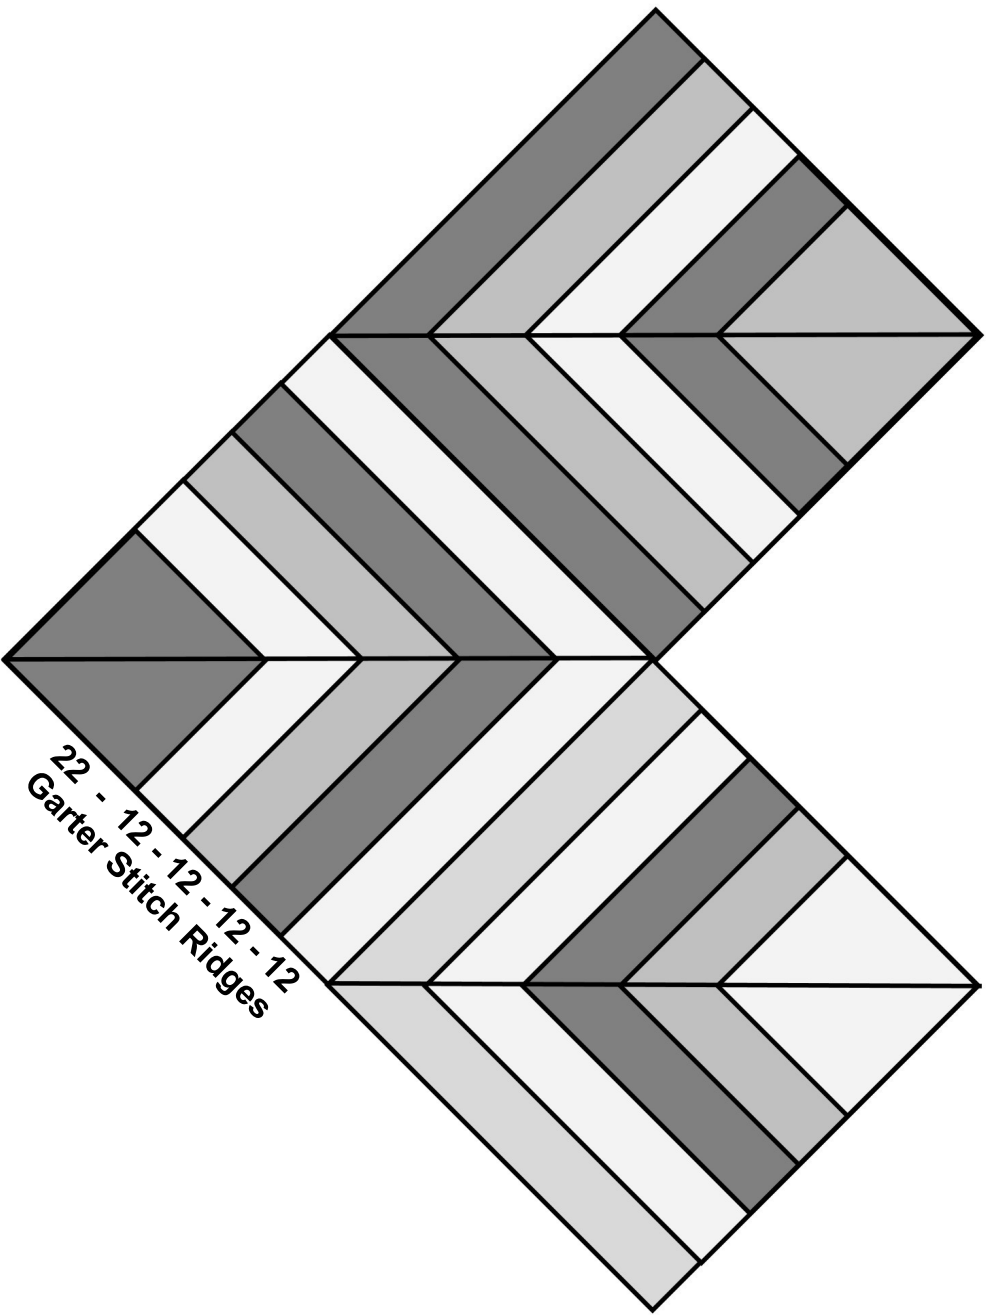

Schematic for three skeins in the same color

BAUHAUS

Mitered Shawl

Schematic for three skeins in three different colors

- Start the first square with color 1 (darkest color or your choice),
- CO 3 stitches and work following the increase pattern 22 Garter Stitch Ridges (GSR).
- Change Yarn to color 2 and work 12 GSR.
- Change Yarn to color 3 and work 12 GSR.
- Change Yarn to color 1 and work 12 GSR.
- Change Yarn to color 2 and work 12 GSR = first square is done
- Divide the stitches and work square 2 and 3 accordingly to the schematic.
